Bocen has devoted itself to the manufacturing and development of high-quality product for LCD/TFT/OLED since 2010.

There are 3 factories separately located in Shenzhen and Jiangxi with total area of 35,000 square meters, 900 staff , 24 production lines, and around 50K pcs daily production capacity, Fully equipped with various advanced testing facilities and a group of senior engineers who have been engaged in the industry for 10 years have forged the extraordinary quality and service of Bocen.

Our business philosophy is customer-centered, market-oriented and technology-based. We are looking forward to working with you to create a better future!

## BRIEF INTRODUCTION >>>

- ▶ Founded in 2010
- ▶ Product Category: LCD panel, COB & COG module, TFT, OLED, Backlight.
- ▶ 3 factories
- ▶ 900 employees
- ▶ 65 Quality Control responsible persons
- ▶ 20 R&D persons
- ▶ 35,000m<sup>2</sup> workshop
- ▶ ISO9001, RoHS certificates

## CERTIFICATES >>>

RoHS

ISO9001:2015

## OFFICE AND FACTORY OVERVIEW >>>

### Shenzhen Office

Office

**Address:** 808, Esun tech building, No. 22, Jia'an South Road, Bao'an District, Shenzhen, Guangdong, China.

### Shenzhen Factory

Samples & Small orders production

**Address:** 3F, Block 11, Huafeng International Manufacturing Park, Wan'an Road, Shajing, Bao'an District, Shenzhen, China.

### Jiangxi 1st Factory

Big orders production (Monochrome display)

**Address:** Chengxi Bocen Industrial Park Gao'an, Yichun, Jiangxi Province, China.

### Jiangxi 2nd Factory

Big orders production (TFT display)

**Address:** Building 7, No. 4 Food Avenue, Information Industry Park, Yichun, Jiangxi Province, China.
